ADDITIONAL COMMENTS

1. Will need to place a "Septage Land Application Site" and "No Trespassing" sign at the entrance to the site.
2. Access road could use some work.
3. Orange flags placed were markers need to be set. Markers set to be 50 feet off of property lines. Also, you will need to be 5 feet away from tree line.
4. Site visit to determine field boundaries. Site was previously permitted to Bobby Thomas as SLAS-74-03. Jamey has submitted application and nutrient managment plan. Jamey has attended the new operator class for operating a septage land application site. Will need landowner authorization form, signage up, markers placed at the orange flags, and small grain crop planted. Call when done. Site split into 2 fields.

Please contact me if you have any questions or concerns regarding this inspection report.
